## Shariah Pronouncement

**For Hyssa Group (including Hyssa Finansal Teknoloji AS, Hyssa Financial Technologies Mauritius and other subject related companies)**

It is hereby certified that, after a thorough and careful review of the platform's core operational framework including stock-screening methodologies, trading mechanisms, fee structure, profit purification procedures, and other critical components as detailed in the submitted documentation **Hyssa Group** (including Hyssa Finansal Teknoloji AS, Hyssa Financial Technologies Mauritius and other subject related companies) is found to be compliant with Shariah principles and standards.

### **1. Business Model:**

We have carefully examined the business model of Hyssa Group and confirm that it is in accordance with the principles of Shariah.

### **2. Shariah Screening Methodology:**

Hyssa's screening methodology is primarily based on the AAOIFI Shariah Standards, with additional proprietary criteria adopted to enhance the robustness of the screening process. We have reviewed this methodology and found it to be in alignment with recognized Shariah standards for compliance. Although this pronouncement endorse the methodology, proper implementation in accordance with what has been reviewed and discussed is sole responsibility of Hyssa team.

### **3. Financial Transactions Methodology:**

Hyssa's has developed and adopted the trading mechanism which is aligned with Shariah principles and ensures clear and transparent financial transactions.

### **4. Documentation and Agreements**

We have also reviewed the relevant documents, contracts, and supporting materials provided by Hyssa Group and found them consistent with the requirements of Islamic Shariah principles.

Based on the above review, we affirm that the operations, structure, and screening practices of Hyssa Group, as submitted for our evaluation, are Shariah-compliant.

**The validity of this certificate is 1 Year**
